

Beehive Toss

Print on card stock

Cut another piece of card stock the same size

Glue a wooden dowel or wooden food skewer between the 2 pieces of card stock

Plant the wooden dowel firmly into the ground

Hand out candy suckers

Mark a distance from the beehive toss board

Child must stand on marked line and throw candy suckers at board

The aim is to hit the entrance hole of the beehive

If they hit the hole they may pick up a sucker at the board and eat it

Continue until every child has a sucker
