

HOW TO MAKE A TANGRAM WITHOUT A TEMPLATE

Just follow these simple steps to fold a Tangram:

1. Fold a rectangular piece of paper so that a square is formed. Cut off the extra flap.

2. Cut the square into two triangles.

3. Take one triangle and fold it in half. Cut the triangle along the fold into two smaller triangles.

4. Take the other triangle and crease it in the middle. Fold the corner of the triangle opposite the crease and cut.

5. Fold the trapezoid in half and fold again. Cut along both folds.

6. Fold the remaining small trapezoid and cut it in two.
